Introduction

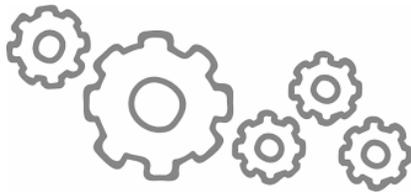

Corazon Catering is composed of two young, sophisticated, and talented partners. After working with each other at various establishments, both men soon realized that they all shared a passion for providing people with healthy, nourishing, and delicious food. Each partner brought something unique to the table and what emerged was the idea for an affordable service that provided fresh, convenient, and tasty meals to students and staff looking for an easy way to eat healthy. The team at Corazon Catering is committed to offering a variety of options that won't leave you hungry.
